## Education

The Art Institute of Tampa  
Bachelor of Fine Arts in Game Art and Design 2013

## Work Experience

Action Script Intern  
**Longbar Virtual Creatives** 2010  
Responsible for learning Action Script and assisting coding tasks  
Performed general office tasks when not studying Action Script

2D Floorplan Artist  
**MediaLab 3D Solutions** 2013-2016  
Assembled art elements and light coding to create interactive floorplans  
Experienced in juggling multiple projects and setting priorities to meet deadlines  
Dealt with work from multiple clients, who all had different quirks and preferences

Exteriors Photoshop Aritst  
**MediaLab 3D Solutions** 2016-Present  
Used client-provided checklists to assemble 2D assets for use in 3D exterior models  
Had to communicate effectively with project managers to solve issues  
Gained experience in independent research to fill in gaps in information

## Other Skills

Software experience includes: Adobe Photoshop, Autodesk 3Ds Max, Maya and Mudbox  
Functions exceedingly well and enthusiastically in a collaborative environment  
Adaptable and able to quickly learn new software and unfamiliar job pipelines  
Able to effectively communicate issues; not afraid to ask for help
